

AFA AEROSPACE EDUCATION

The Air Force Association, a 501(c)(3) educational organization, has multiple programs and cooperative ventures to advance aerospace education. Those programs include:

- STEM Programs, such as [StellarXplorers](#) and [CyberPatriot](#)
- [Teacher of the Year](#) (National, State, Local Level)
- [K-12 Educator, CAP, and JROTC Grants](#)
- [Scholarships](#) for Enlisted USAF, Spouses, and AFROTC

AFA sincerely appreciates the support of our academic and industry sponsors so critical to the continuation of our programs. Our special thanks to:

Rolls-Royce, Platinum Sponsor, and proud sponsor of AFA's Aerospace Education Programs
