

STELLARXPLORERS CAMP FOR EDUCATORS AUGUST 25 AT UCF

LIMITED TO 25 EDUCATORS

(\$10.00 per participant)

Attendees at the *STELLARCAMP FLORIDA* will:

- Grasp basic Orbital Mechanics and Ground Tracks using the *Understanding Space* textbook; Attendees will receive access to the virtual textbook
- Learn to use Systems Toolkit (STK), a professional space systems simulation software
- Work as “teams” to solve an orbit determination scenario similar to the *STELLARXPLORERS* National High School Space Challenge

Kaiserlautern “Scintillators” Team at the *STELLARXPLORERS III* Finals

STELLARCAMP FLORIDA will be held in the UCF Continuing Education Building (3280 Progress Dr. #700, Orlando) from 9:00 AM to 4:00 PM. Lunch Included.

Go to: www.StellarXplorers.org to sign up under the Registration Tab.
