

## **StellarXplorers Space STEM Program Media Release Form**

This is a Consent and Release of Rights in favor of the Air & Space Forces Association (AFA), and its officers, directors, employees, successors, assigns, and volunteers who are working at the authorization or direction of AFA with respect to the StellarXplorers National Space Design Competition and any associated events officially offered by AFA. "Participant" refers to any individual involved in a StellarXplorers event, whether an in-person event organized and directed by AFA or a local event organized and produced by team directors, students, parents, mentors, or advisors.

By attending the StellarXplorers National Finals Competition, I agree to the following:

I hereby grant to AFA the right to photograph, videotape, or otherwise digitally collect my likeness, voice, and sounds (as "works") during my presence at the StellarXplorers event(s) and assign and grant all rights in these works to AFA. This gives AFA the right to use or sublicense these works and my name and likeness, at AFA's discretion, in all media for the promotion of StellarXplorers and related programs. I hereby waive any right to inspect or approve the finished photograph and or video tapes (full or in part) taken, including but not limited to prints, DVDs, audio recordings, or any other media. I also consent to the use of any printed matter in conjunction therewith.

I hereby release, discharge and agree to save harmless AFA, its representatives, assigns, employees or any person or persons, corporation or corporations, acting under its permission or authority, including any firm publishing, broadcasting and or distributing the finished product, in whole or in part, from and against any liability as a result of any distortion, blurring, or alteration, optically, or in use in composite form, either internationally or otherwise, that may occur or be produced in taking, recording, processing, or reproduction of the finished product, its publication or distribution of the same.

I acknowledge that StellarXplorers events are public events that may be attended by the members of the press, business corporations, and media not under the control of AFA who might photograph or videotape the event. As a matter of practice, AFA asks corporate guests to refrain from using images of Participants or attendees for commercial or other purposes without obtaining specific written permission from the person or a minor's parent/guardian.

I acknowledge that AFA believes in the confidentiality of all contact information and promises that it will not rent or sell any contact information shared as a Participant.

I hereby grant AFA the right to use the personal contact information provided here to support and promote StellarXplorers, and its research, program evaluation, alumni efforts and/or other outreach activities.
